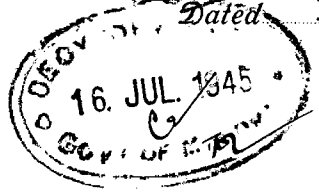
BANGALORE
Dated 14th July 1945.



D.O.No. 136.
Encl:One.

My dear Noronha,

Visit to Australia.

I enclose herewith a copy of letter No.12/IAD dated 11th July 1945 received from the Assistant Comptroller, which is self explanatory.

The second advance of £150 was sanctioned to me in G.O.No.D.5679-81/I&C. 391-44-11 dated 28th February 1945 and the same was remitted to me in Australia. I did not utilise the advance and returned the same after my arrival here. A difference of Rs.24-2-0 mentioned by the Assistant Comptroller is due to (i) the exchange loss on the re-conversion of £150 to rupee, and (ii) cable charges incurred by the Comptroller in remitting the above advance to me.

In the above circumstances, I request you to kindly obtain sanction of Government for including the above difference of Rs.24-2-0 in the statement of expenditure sent to the Comptroller as ordered by Govt. in letter No.D.158/I&C. dated 7th July 1945.

Yours sincerely,

An expenditure of Rs.2,013-10-1 as noted in the margin has been incurred towards payment of £150 to you in response to your cablegram dated19-2-45 from Camp Adelaide. Against this, a sum of Rs.1989-8-1 only being the then Exchange value of £150 repaid by you has been credited to the Dewan's Deposit account with the Imperial Bank of India, Bangalore, on 11-4-45. Necessary action may, therefore, be kindly taken early to adjust the difference of Rs.24-2-0 outstanding in the books of this office.
